

CERTIFICATE OF COMPLETION

PROUDLY PRESENTED TO:

Purnima Adhikari

for their successful completion of The Coding School's

2025 DATA SCIENCE RESEARCH PROGRAM

JULY 7 - AUGUST 8, 2025

Proudly funded by DoD STEM, Defense STEM Education Consortium, and TEDCO Equitech Growth Fund, this five-week research program equipped students with foundational skills in data science through intensive training and practical experience. Under the mentorship of data science experts, including professors from Columbia University, each student completed a real-world data science research project.
